Non-Statutory Public Consultation No. 1
Study Area, Constraints and Opportunities (March 23)

Donegal County Council with the support of Transport Infrastructure Ireland, invite residents of the area, members of the public and other interested parties to participate in a non-statutory public consultation on the Study Area, Constraints and Opportunities for the Burtonport to Letterkenny Greenway Project.
This project aims to provide an attractive trail between the settlements of Letterkenny and Burtonport in County Donegal, mainly to be used for recreational purposes by pedestrians, cyclists and people with impaired mobility. It will also provide a great recreational facility and social support for local communities, also drawing domestic and international visitors to the area benefitting the social and economic factors in the settlements located along the selected route. It will also act as a valuable corridor providing a safe, sustainable and healthy modal option for all users.

It is anticipated that the provision of a greenway in this location will provide enhanced access to the wider region, enticing users to explore its surrounding towns and villages and further develop the untapped tourism potential within the region. The project also provides the opportunity to highlight the historical and educational significance of such places, whilst promoting the scenic nature of the surrounding area. Furthermore, linking Burtonport and the various rural settlements along the selected route to Letterkenny will greatly improve accessibility.

Comhairliúchán Poiblí Neamhreachtúil Uimh. 1
Réimse Staidéir, Constaicí agus Deiseanna (Márta 23)

Tugann Comhairle Chontae Dhún na nGall, le cúnamh taca ó Bhonneagar Iompair Éireann, cuireadh do dhaoine a bhfuil cónaí orthu sa cheantar, do dhaoine den phobal agus do pháirtithe ar spéis leo an t-ábhar páirt a ghlacadh i gcomhairliúchán poiblí neamhreachtúil ar an Réimse Staidéir, Constaicí agus Deiseanna maidir le Tionscadal Ghlasbhealach Ailt an Chorráin go Leitir Ceanainn.
Tá de chuspóir leis an tionscadal seo slí tharraingteach a chur ar fáil idir Ionnaíocht Leitir Ceanainn agus Ionnaíocht Ailt an Chorráin i gContae Dhún na nGall, le húsáid den chuid is mó ar mhaithe le caitheamh aimsire ag lucht coisíochta agus rothaíochta agus ag daoine a bhfuil bac ar a gcuid gluaiseachta. Cuirfidh sé saoráid áineasa iontach agus tacaíocht shóisialta ar fáil do phobail áitiúla freisin agus tarraingeofar cuairteoirí baile agus idirnáisiúnta isteach chuig an cheantar, rud a bheidh ina bhuntáiste do na tosca sóisialta agus eacnamaíochta sna Ionnaíochtaí atá suite feadh an bhealaigh roghnaithe. Beidh sin freisin ina chonair fhiúntach chun rogha sábháilte, inbhuanaithe agus folláin a chur ar fáil don lucht úsáide uile.
Táthar ag tnúth go bhfágfaidh glasbhealach a chur ar fáil sa cheantar freisin gur furasta is féidir réimsí den cheantar a thaobhú, go mealltar dá bhrí sin an lucht úsáide chun na bailte móra agus beaga máguaird a thaithí agus go dtugtar i gcrích an tairbhe is féidir a bhaint go fóill as an turasóireacht sa cheantar. Tugtar deis leis an togra seo chomh maith aird a dhíriú ar thábhacht áiteanna ó thaobh cúrsaí staire nó oideachais, an tráth céanna a gcuirtear scéimhe agus sceirdiúlacht na radharc chun cinn. Ina theannta sin má cheanglaítear Ailt an Chorráin le Ionnaíochtaí tuaithe éagsúla feadh an bhealaigh roghnaithe go Leitir Ceanainn, feabhsófar rochtain ar an áit.

Eolas Breise

Tá mioneolas breise ar fáil ar láithreán gréasáin faoi leith an tionscadail: burtonportletterkennygreenway.ie
